Face Coverings

Harley will require ALL employees, students, and other visitors to campus—such as parents, contractors, or vendors—to wear an acceptable face covering as defined by the CDC at all times while on Harley's campus.

Acceptable face coverings include but are not limited to cloth-based face coverings (e.g., homemade sewn, quick cut) and surgical masks that cover both the mouth and nose. **No masks with valves, gaiters, or bandanas.**

Face coverings must be worn so that both the mouth and nose are covered at all times.

See our website for exceptions.

Additional supplies of disposable face coverings are available at the front entrance and nurse's office for those who arrive on campus without an appropriate face covering.
