Driver Education
Fall / Winter
September 21 – January 30, 2022

The Harley School Driver Education Program helps students from area high schools learn to be safe, defensive drivers. Those who successfully complete our program receive a New York State Senior Night License Form (MV-285). This enables 17 year old students to drive after 9:00 p.m. Many insurance companies give senior night license holders a premium reduction of up to 15%. The five- hour pre-licensing course (MV-278) is also part of the curriculum and will be issued to anyone enrolled at no additional cost.

The Fall / Winter program runs from September 21 – January 30, 2022

Students must have a learner's permit or driver's license to participate in Harley's Driver Education Program.
Students must be 16 as of September 21, 2021 to participate.

REQUIREMENT FOR ALL STUDENTS:

Vaccines – ONLY students who are 2 weeks post second/only vaccine and submit a COPY of vaccination card with their registration form or by September 17 at the Orientation meeting will be allowed to participate in the program.
