

Driver Education

Registration Information

The Harley School Driver Education Program helps students from area high schools learn to be safe, defensive drivers. Those who successfully complete our program receive a New York State Senior Night License Form (MV-285). This enables 17-year-old students to drive after 9:00 p.m. Many insurance companies give senior night license holders a premium reduction of up to 15%. The five-hour pre-licensing course (MV-278) is also part of the curriculum and will be issued to anyone enrolled at no additional cost.

The Winter/Spring program runs from February 8 – June 12, 2022.

Students must have a learner's permit or driver's license to participate in Harley's Driver Education Program.

Students must be 16 as of February 7, 2022 to participate.

COVID VACCINE REQUIREMENT FOR ALL STUDENTS:

ONLY students who are two weeks post-final vaccine, and submit a COPY of their vaccination card, either with their registration form or by January 27 at the Orientation meeting, will be allowed to participate in the program.
