

Registration Information

The Harley School Driver Education Program helps students from area high schools learn to be safe, defensive drivers. Those who successfully complete our program receive a New York State Senior Night License Form (MV-285). This enables 17-year-old students to drive after 9:00 p.m. Many insurance companies give senior night license holders a premium reduction of up to 15%. The five-hour pre-licensing course (MV-278) is also part of the curriculum and will be issued to anyone enrolled at no additional cost.

Summer program runs from June 27 - August 10, 2022.

Students must have a learner's permit or driver's license to participate in Harley's Driver Education Program. Students must be 16 as of June 27, 2022 to participate.

REQUIREMENTS FOR ALL STUDENTS:

Vaccines – ONLY students who are fully vaccinated and boosted by June 24 will be allowed to participate in the program. A copy of their vax card needs to be submitted with their registration form or by June 23, 2022. A decision concerning Mask Requirements will be made at the Orientation meeting on June 23, 2022
